

EASTER HOLIDAY CLUB!

Week One

Come and join us for a week of messy play and activities!
(11-15 April)

- MONDAY - we will be exploring texture, colour and mixing using a range of substances including cooked spaghetti, corn flour, bubbles, shaving foam, water and paint.
- TUESDAY - This is a chance for any green fingered youngsters to try their hand at a bit of gardening. This will include planting sunflower seeds to take home, making 'cress heads' which they can also decorate and planting some bulbs in our Pre-School garden.
- WEDNESDAY - Den building and Going on a bear hunt in the local woods!
- THURSDAY- Music and Movement exploration day! We will provide a range of instruments for the children to have a play with, we will make our own instruments and explore the different sounds of music, how it makes us feel and how we can move to it (bring your dancing shoes!).
- FRIDAY - Getting messy in the 'kitchen'! This is a chance for children to explore the joys of cooking and baking-and of course they have the opportunity to eat it afterwards!
